Parking Permit Application

Dear Parent/Guardian:

Due to the COVID-19 pandemic, we are granting the opportunity for students graduating in June 2021 or June 2022 to request permission to park his/her car on school property temporarily. Please be advised that this opportunity is based on the current hybrid schedule, and this is subject to change pending any alterations to the current learning model we have in place. In the event that we move from the hybrid schedule to a regular schedule, we will revisit this policy, anyone possessing a permit will be notified.. The current parking permit policy grants seniors who are graduating in June 2021 to request permission for parking. A limited number of PM BOCES students will be granted permission due to high enrollment. Juniors with special circumstances must submit a letter of explanation to the Principal and/or Assistant Principal for review and approval. More information may be requested before approval is granted.

The following information must be presented to receive a parking permit:

1. Driver’s License
2. Bottom of this form completed and signed by parent/guardian
3. Student signature on reverse side
4. Dutchess County “CAPE” teen driving course – **MANDATORY** (CAPE courses are currently not available due to COVID-19, however, once they are available, we will require this of any student who is in possession of a parking permit.)

Grounds for suspending parking privileges:

1. Imprudent speed and/or reckless driving
2. Transporting self and/or students off school grounds
3. Out of School Suspension
4. Excessive lateness to School
5. Academically Ineligible – (see student handbook)
6. Selling, duplicating or transferring parking permits
7. Other reasons deemed appropriate by the Principal or Assistant Principals

Upon approval of this application, a numbered parking permit will be issued which must be properly displayed on the REAR WINDOW ON DRIVER SIDE OF VEHICLE. Only one parking permit will be issued per student. **PERMITS ARE NON –TRANSFERABLE.** Report to the Assistant Principal’s Office immediately if you lose the permit. If you sell your vehicle or take your vehicle off the road, remove the permit and return it to the AP Office. If you drive a different car to school you **MUST** report this occurrence to the AP Office. Failure to provide all information required on this application may affect issuance of a permit. Students must sign the “Parking Rules & Regulations” on the reverse side. If you have any questions regarding parking permits, please contact the AP Office.

Please mail or electronically submit this form with a copy of their driver’s license to kathleenkraft@hpcsd.org. Students will be called down to the office individually once school reopens to receive a parking permit.

Thank you for your cooperation.

Sincerely,

Michael Ruella
Principal

I have reviewed the above rules and regulations with my son/daughter and give permission for him/her to drive. Additionally, I understand that this policy that has been revised due to COVID-19 is subject to change once the school schedule returns to normal.
