3. **YOU** decide how much time you want to give!
2. You will be "in the know" with the happenings of RRS & HPCSD

And the #1 reason to join the RRS PTA is....

1. It's EASY & WE NEED YOU!!!!

Okay that was 2 for 1 ☺

2 Common PTA Questions/Concerns:

Do you have to attend meetings?

We would love to see you there but understand everyone's lives are busy and can't always be at meetings so as much as we would love to see you at our monthly meetings, they are NOT required. Our first meeting is on Monday September 24th at 6:30, stop by and see what we are all about!

Does being on PTA mean you will be "signed up" to be at the school for everything?

No it does not, many hands make light work! We always need volunteers to do various tasks. Many of those tasks take very little time and can be done from home. We have some volunteer tasks that are during the day at school, we have some that are needed for evenings and we have some that are from home. You choose your involvement level and we are just happy to have you be a part of any of the PTA activities!
