Commitment to Public Education: A school board member takes on one of the most important citizen responsibilities: overseeing the education of the community’s youth. In these challenging times for public education, school boards are seeking people who find excitement and satisfaction in confronting tough challenges and working collegially to rise above them and help students in their communities succeed.

The board of education is a uniquely American institution. It oversees and manages the community’s public school system. It ensures the public schools are flexible and responsive to the needs of the community. School boards are comprised of volunteers within the community who dedicate their time to better public education. Board members are elected.

The size of a school board depends on the type of school district (HPCSD has 7 board members). In our district, school board members serve 3, year terms. Terms are staggered so all board positions are never open at the same time. Voters have the power to change the size of the board as set forth within the law.

Responsibilities of a Board Member: With schoolchildren always their ultimate focus, school board members act officially at the board table, working with other board members to serve students and accomplish the following:

- Support the direction of the district to achieve the highest student performance
- Expect rigorous accountability for student achievement results
- Oversee the development of the budget as presented to the community, aligning district resources to improve achievement
- Support a healthy school district culture for learning and work
- Monitor the district’s progress through continuous improvement
- Adopt and maintain current policies
- Hire and evaluate the superintendent
- Ratify collective bargaining agreements
- Maintain strong ethical standards and confidentiality

Characteristics of a Board Member:

- **Effective Communicator:** Can describe and communicate ideas calmly and respectfully, be a good listener
- **Consensus Builder:** Capable of working toward decisions that all board members can support, be willing to compromise to achieve goals
- **Community Participant:** Enjoys meeting a variety of people, can identify the community’s key communicators and be approachable.
- **Decision Maker:** Is comfortable supporting group decision and process.
- **Information Processor:** Can organize priorities and schedules to handle large amounts of verbal and written information, be able to use resources, to arrive at opinions and support decisions the board makes.
- **Leader:** Willing to be a constructive leader by showing respect and being supportive of board colleagues, district staff and community members.
• **Team Player:** Board members cannot act alone. Therefore, being a team player is a key attribute for any board member to help support decisions and promote the Board/District’s vision and goals.

**Running for Your Local School Board:** Once you have made the commitment to run for your local school board, there are requirements, deadlines, and processes that are contained in this document and must be adhered to.

**Eligibility Requirements:** Are set by NYS Ed law and attached in this document (p8).

**Nominating Petitions:** The requirements for filing nominating petitions for a school board vary depending upon the type of school district. Generally, candidates must submit a nominating petition to the school district clerk. The petition must be signed by at least 25 qualified district voters or (2%) two percent of the number of those who voted in the previous annual election, whichever number is greater. For **Hyde Park CSD**, the 2% number is greater this year. Therefore, the number of signatures required this year is **37**.

Petitions must include the following:

- Candidate’s (your) name and residential address (within the district) on each page.
- Vacancy in question (seat on HPCSD Board of Education)
- Length of the term of office for which the candidate is being nominated (3 years)
- Incumbent’s name (any who are expiring)
- Petition containing **37 district resident signatures** with their primary residence, street addresses within the district (no PO Boxes).
- 1st of 3 Expenditure Reports (included in this packet)

Blank petitions are at the back of this packet and are available from the district clerk or can be printed from hpcsd.org, under the Board of Education tab see Budget Vote/Board Member Election section. Hyde Park CSD board candidates run for seats “at large” such that each nominee is eligible for any open seat, the nominating petition does not need to identify a specific incumbent’s seat that the nominee is seeking. This petition must be filed with the district clerk at least 30 days before the election meeting; **(by April 22, 2024, at 5:00 p.m at 11 Boice Road, Hyde Park, NY 12538)**.

**Campaigning:** Once your petition has been submitted to the District Clerk before the deadline, the next step is to gather support. State law requires all candidates for election to a board of education file a sworn statement with the district clerk disclosing their campaign expenses. Statements must be filed at three different times during the election period (April 22th, May 16th, June 3rd), even if you have no expenses, you must submit these forms. If expenditures made by the candidate or by others on the candidate’s behalf exceed $500, per statement, the candidate must also file the form(s) with the Commissioner of Education. Expenditures of not more than $25 may be made without the candidate’s permission if the donor or donors file a sworn statement with the clerk and the commissioner stating that the candidate did not approve the expenditure. Additional details concerning these requirements may be obtained from Educational Management Services, New York State Education Department 1075 EBA, 89 Washington Avenue, Albany, NY 12234. Reporting forms are also included in this packet.
Election: By state law, school board and budget elections, in all districts (except the Big 5 (Buffalo, New York City, Rochester, Syracuse and Yonkers), must be held on the third Tuesday in May. In 2024, the budget vote and election occurs on May 21st. The BOE will hold their Annual Meeting after the polls close to accept the results of the vote. New BOE members terms typically start on July 1st of the year of the election.

Candidate Seat Award Process: If there are more seats available at the election than there are candidates:

1) The person receiving the highest number of votes (including write-in votes) assume the vacant seat(s), providing that person(s) does not refuse to serve. If this seat was vacated before the end of a term, the person with the highest number of votes will be awarded the longest term of office (starting the day after the vote and continuing until the end of a normal 3 year term). This applies for the 2024-2027 term. Carl Tomik served as interim BOE trustee replacing Denise Biery. This seat will be filled by the candidate who receives the most votes, on May 22nd and continue to June 30, 2027. The other two seats will serve a typical 3-year term, July 1, 2024 – June 30, 2027.

2) If the person receiving the highest number of votes refuses the seat, the person receiving the next highest number of votes would win that seat.

3) If there is a tie with the number of votes and there is only one seat remaining, the district will have a run-off election within 45 days. The only candidates in the run-off election will be those who tied. No new nominating petitions will be required.

4) If there are no write-in votes and an open seat remains, the Board may, by majority vote, appoint a qualified person to serve on the Board. The person will take office immediately upon filing the Oath of Office and will serve until the next election.

A school board member is an elected volunteer and a representative of the Board of Education, a member of the community and part of the district’s governance team. This team is comprised of the full Board and the Superintendent. The school board is the district’s board of directors. Board members act as a unit, with actions made by majority vote. As a Board member you will be asked to vote on decisions and major issues that affect students, staff and residents of the district. Board members are expected to maintain confidentiality as appropriate.

New York State School Boards Association: If you are elected, you don’t need to face this new challenge alone. The New York State School Boards Association is here to help you! The New York State School Boards Association (NYSSBA) serves as the statewide voice of more than 670 boards of education. The Association provides current information and advice on matters affecting school boards and works with other educational and related organizations in promoting excellence in public education. The Association offers required training, provides advocacy, information, leadership development and custom services to public school boards.
Training: Once elected, new board members are required by New York State law to fulfill mandatory training within their first year of service. This includes fiscal oversight training and governance skills training. NYSSBA provides convenient online courses and regional academies to fulfill these requirements and to increase your knowledge of public education and your responsibilities as a board member. The district pays for you to take this training. For more information on school board service, visit nyssba.org, under Member Services select Running for School Board and School Board Member Experience, or contact NYSSBA at (518) 783-0200 or via email at info@nyssba.org.

General Information for Hyde Park CSD:

Board Meetings: Board members are expected to attend Board meetings, serve on board sub-committees and attend various BOE & school functions. Generally, the Hyde Park Central School District has two regular meetings per month on the 2nd and 4th Thursday. There may be more or less meetings depending on need. Meetings typically open at 5:30 and immediately enter into executive session (as needed). Executive Session is attended by the Board members, the Superintendent, and any persons invited by the Board or Superintendent. Open Session resumes when the board is done with Executive Session business, typically about 7:00 p.m. At times during the year, additional meetings may be required. “Special” meetings are called when a quorum of the Board must meet prior to the next regularly scheduled meeting. In May the Annual Meeting is held the evening of the Vote to accept the results. This meeting begins as soon as possible after the polls have closed and the votes are tallied. All meetings go until business is completed or the BOE adjourns the meeting.

Board Member Attendance and Preparation: A board meeting cannot be held without a quorum of the board (4 or more members for our district). As a board member, it is important to notify the District Clerk if you are unable to attend a meeting to guarantee that a quorum is available. Board members receive regular communication from the Superintendent and District Clerk as a means of keeping them informed of events as they occur. Board meeting agendas are made available to the board members via Board Docs in advance of the public agenda release. Board members are expected to become familiar with the items to be discussed and voted on at a meeting to enable them to cast an informed vote. School board members take official action only by majority vote of the whole board, at an official meeting.

Board members participate in Board advisory subcommittee groups. During the Re-Organizational Meeting in July, Board Members volunteer to serve on specific committees for that particular school year. A maximum of 3, BOE members can serve on any one committee (to avoid a having a quorum of the BOE). The President of the BOE may attend any committee as an ex-officio non-voting member. All board members should become familiar with the District’s policies (found on the District website hpcsds.org, Board of Education Tab, Board Docs) and any issues the District is facing. Board members must maintain confidentiality and take an Oath of Office per NYS Ed Law.
