Code of Behavior

Attendance:

1. Attendance at all practices and matches is required with the exception of:
 - a. Absences from school (a student must be in attendance for four periods of the school day in order to practice/compete).
 - b. School functions with prior notice given to the coach.
 - c. Extenuating circumstances as judged by the coach.
2. The coach should be given prior notices of all planned absences.
3. It is the athlete's responsibility to notify the coach with the reason for an absence.
4. Three illegally missed practices or matches is grounds for dismissal from the team.
5. Illegal absences from practices/matches include (but are not limited to):
 - a. Excessive appointments
 - b. Shopping
 - c. Attendance at other sports
 - d. Lack of transportation
 - e. Dinner arrangements
 - f. Job
 - g. Vacation
 - h. Babysitting

Practices/Matches:

1. Be prompt to practices.
 - a. This means that all equipment needs to be ready for use at scheduled time.
2. Pick up from practices should be within 15 minutes after the end of practice (please notify the coach of any difficulty in securing a ride).
3. Equipment set up and take down is the responsibility of each team member. Practice ends with the last piece of equipment.
4. An illegally missed tournament/scrimmage/playdate results in a forfeit of competing in the following two matches.

5. An illegally missed match results in a forfeit of competing in the following match.
6. Attendance at all team matches is required regardless of whether or not you are scheduled to compete.
7. All athletes will take the bus back to the school after away games. The only exception to this rule is the following:
 - a. Doctor's appointment. (Athlete must have a doctor's note to do so)
 - b. Injured at match and requires medical attention
8. The practices/competition schedules vary depending upon weather, gym usage, officials, away teams, etc. Athletes must be ready to change with the schedule.
9. All varsity players are expected to attend all JV matches and vice versa.

Scholastic Eligibility:

1. If a member is found smoking, drinking, or in possession of drugs, she will be dealt with in accordance with athletic department policies.
2. A team member must maintain a 70% overall average to retain academic eligibility. One failing grade (less than 65%) places the students on probation. Two failing grades result in removal from the team until reinstated.

Housekeeping:

1. Food will be permitted on bus trips unless the bus is left dirty. No glass containers are permitted.
2. Stops for food after away matches will be dependent upon distance/time from home and team conduct.
3. Music will be permitted on bus trips only if listened to with headphones.
4. Cancellation of school or early dismissal due to weather conditions automatically cancels the practice or match for that day.

A post match conference with the team helps to bring the match to a close and bring perspective. It is a brief overview of the competition commenting not on the outcome of the match but rather a sharing of ideas (on positive points in the match as well as areas needing improvement for the next practice or competition). Whatever the outcome of the match, our philosophy is to have pride in our effort and commitment to the team. Please expect to allow this time for your athlete to participate in our post team discussion before you start discussing the game or leave with your child.
